* Not for upper-division credit

** An additional course (either FLFR 105 or 201) must be taken.

*** An additional course (either FLSP 105 or 201) must be taken.

@ Entire sequence must be completed in order to receive credit. Must complete 1.0 semester hour of upper-division mathematics to complete requirement through Calculus III (Math 281).

Not for English majors or Secondary Education English majors.

English majors and Secondary Education English majors must take ENGL 224 and 225 for sophomore English.

Additional courses not specified on this document may be used for elective credit or course equivalency. Contact individual departments for further specific course information.
