

College of Business
TENNESSEE TECH

Two Degrees in Four Years

Earn your Bachelor and Master of Business Administration in just four years!

Motivated students leaving high school with at least 15 credit hours that count toward their Tennessee Tech degree program could graduate with their business bachelor's and MBA in just four years with the Fast Track program.

Your Four-Year Experience

Your Tennessee Tech experience will be a mixture of classes where you learn the technical and professional skills necessary to be a successful student and business professional. Through your MBA, you will learn to develop and apply next-level decision-making abilities based on your business undergrad knowledge. To enhance your college experience, you will have opportunities to engage in internships and study abroad programs. Outside of academics, you will have the benefits of campus life at Tech, which include:

- SOLO concerts featuring well-known artists
- Nationally ranked recreational facilities
- Student organizations (200+) and intramural sports teams

Join the Fast Track Program

Take advantage of summer courses and travel opportunities while making the most of your undergraduate time. Students in the program earn graduate course credit during their final undergraduate year, allowing them to pay undergraduate tuition for a portion of their MBA courses, saving them time and money while bringing more value to their Tech degrees.

STUDY ABROAD

Are you interested in studying abroad? Tennessee Tech's Study Abroad Office offers travel opportunities all around the world.

Imagine yourself:

- Studying in France for the summer and visiting Paris
- Exploring London while doing a summer internship
- Earning a degree from both Tennessee Tech and Aachen University by spending a year in Germany

These specially designed programs are taught in English. For more detailed information on studying abroad, visit:

<https://www.tntech.edu/studyabroad/index.php>

MBA Opportunities

MBA 6980 - International Experience

During this class, you will immerse yourself in the cultures and business practices you will experience through the highlight of the end-of-semester trip.

Previous Destinations: South Africa, India, Spain, France, England, Brazil

Financial Aid

Tennessee Tech offers financial assistance at both the undergraduate and graduate levels.

Presidential Scholars - The Presidential Scholars program offers guaranteed scholarships to new first-year students who meet the minimum requirements and apply for admission by the deadline. Students must have the following:

- Graduated from high school in the fall or spring immediately preceding entry to Tech
- At least a 3.40 high school GPA
- At least a 23 ACT Composite score

The College of Business offers graduate and undergraduate students experiential learning grants for travel studies, internships, and professional conferences. For more information, visit the College of Business Website.

Start Your Journey Today.

The path to becoming a Golden Eagle—and earning two degrees in as little as four years—starts today. Are you ready to unlock your future?
