Student Computer Specifications
College of Business
Tennessee Tech University

The College of Business recommends that students use PC and not a MAC.

The recommended minimum personal computer specification is:

- Intel i-Series 8th Generation Processor or higher
- 16GB of RAM minimum
- 512GB SSD minimum
- Wireless adapter 802.11n
- Windows 10 (64-bit) capable
- Dell or Lenovo only
- 4-year warranty

Windows, Office 2019, and Sophos Anti-virus are available to TTU students at no additional cost.
