## Eligibility

I understand that I am enrolling in an academic course and will be responsible for completing the class. Failure to complete all information on this form will result in my application not being processed. If for any reason I cannot finish the course, I will submit notice to the TECTA office in writing immediately, return textbook(s), and agree to pay the entire tuition fee for re-enrollment in a TECTA class.

In order to qualify for continued TECTA support, each student must provide a transcript showing that they completed and passed the previous course(s) for which they received financial support from the TECTA program. By signing below I give permission to the institution to release my academic progress and records to representatives from the Tennessee Early Childhood Training Alliance.
