

## EVS PhD Interview Sheet

This sheet should be taken with you to each of your faculty interviews. At the conclusion of your interview, have the faculty member sign this sheet. After you have obtained a minimum of five (5) signatures, you may then select a research mentor. His/her signature at the bottom of this sheet signifies his/her willingness to serve in this capacity.

This form must be returned to me by the last day of class of your first semester.
