### Top 5 Best Practices for the End of the Semester

**WATCH NOW**

As the semester wraps up, faculty start to think about grading and making changes for future courses. It is easy to become overwhelmed during this time of year. In this session, we will review a checklist of items to complete to help you close out your current course and prepare for the next semester.

### SPRING 2025

As we gear up for the spring semester, please remember to request course combinations early. This helps our team ensure everything is ready and allows you to verify that all necessary information is included before classes start.

**Important:** Grades issued prior to the combine will be deleted and cannot be retrieved.
