THE CITL REPORT
JUNE 2025

This summer at the CITL:

CITL Summer Book Club: Teaching With AI
Tuesdays at 11 AM | Microsoft Teams
from June 3rd to August 5th

Register Now!

Join the CITL for our summer book club as we read through and explore **Teaching with AI: A Practical Guide to a New Era of Human Learning** by José Antonio Bowen and C. Edward Watson. We will meet virtually every Tuesday at 11 AM to discuss that week's chapters and share insights (books are available for pick-up in the CITL).
