

Athletics Committee

Purpose: The Athletics Committee shall serve Tennessee Tech and the Director of Athletics in an advisory capacity and assist by reviewing and/or making recommendations relative to:

- a. Policies governing Tennessee Tech's intercollegiate athletics programs
- b. Tennessee Tech's relationship with the NCAA, OVC and other athletics-related organizations
- c. Such other matters as may be presented to the Committee by the President, other Tennessee Tech officials, or the Director of Athletics

Procedures: The Athletics Committee shall be a standing committee of Tennessee Tech having a minimum of sixteen members, serving renewable terms from one to three years each. Appointed by the President, the Committee shall include six faculty members, six administrators, and four students. Membership on the Committee shall reflect Tennessee Tech's commitment to diversity. The Committee will meet once per semester during the academic year.

Actions of the Athletics Committee shall be subject to review by the Administrative Council and approval by the President.
