We discussed the possibility of allowing faculty and staff the option to buy daily gold permits. This would be beneficial for those who work off campus, but only come to the University a handful of times a semester. The Parking & Transportation department advised that it would be looked into as an option in the future.

The 2-hour fitness center visitor spaces were also discussed. The committee suggested that additional signage be added that states faculty, staff, and students are not permitted to park there. Parking & Transportation advised the committee that they were currently in the process of looking to updated signage across campus as part of a larger wayfinding project.

Other such matters:

The idea was presented to have more Non-Student Citation Appeals Committee meetings through the year instead of just having one at the end of the fall and spring semesters, but it was decided that the amount of appeals once a semester was manageable and easier to coordinate schedules for everyone.

Meeting adjourned at 2:49 p.m.
