Other Such Matters

EDPY → PSY

- Dr. Stein brought up the idea of changing the abbreviated course listing for all graduate educational psychology courses from “EDPY” to “PSY.”
- This change would mean students who have 18 hours of graduate level EDPY (PSY) courses would be qualified to teach introductory psychology courses at community colleges.
- There was no opposition to this change; will likely be presented as new business in the future.

University Student Success Center

- Dr. Baker reminded the group that Tech is moving forward with this initiative for all freshmen.
- It was also an agenda item for Faculty Senate, and there are still faculty/staff who oppose the changes.

Council for Education Advancement (CEdA)

- Will replace ACEd
- Main focus is fund raising and advocating for COEd
- Currently working on bylaws and recruiting members
