“When life is sweet, say
Thank you and celebrate.
And when life is bitter, say
Thank you and grow.”

~ Shauna Niequist

College of Education Job Opportunities

Students can view part-time, as well as full-time teaching opportunities by visiting the CoED Job Opportunities page.

<https://www.tntech.edu/education/careers.php>

**A child is like
a butterfly in the
wind. Some can fly
higher than others but
each one flies the best
it can. Why compare one
against the other? Each
one is different. Each
one is special. Each
one is beautiful.**

**THE
WISE
YOU**

OTE TEST PREPARATION

Interactive Practice Tests!

OTE offers Praxis® Interactive Practice Tests (IPTs) from ETS. These are full-length practice tests that allow you to answer one set of test questions to simulate what you will experience on the actual day of the test. You can practice using authentic test questions and, after completing the practice test, view your results by content category along with the correct answers and explanations for each correct answer.

Interactive practice tests are **free!** We can accommodate individuals and groups! Interactive practice tests are completed virtually and take anywhere from 2 to 3.5 hours. Availability may be limited.

Please email Elora Davis at eldavis@ntech.edu to schedule a practice test or with any questions!

IMPORTANT Praxis Changes Effective 8/31/22

Candidates who have passed the exam with previous test codes, 5169 or 5161, can disregard. Candidates who have not taken/passed the exam by 8/31/22, will need to register for and pass the new codes (see below).

- The Middle School Math Praxis has changed from test 5169 to test 5164. Students who have passed the 5169 Middle School Math Praxis by 8/31/22, will be allowed to use the passing score to meet licensure requirements until 8/31/25. Students still have the option to take the 105 National Evaluation Series (NES) test to meet licensure requirements.
- The Secondary Education Math Praxis has changed from test 5161 to test 5165. Students who have passed the 5161 – Mathematics Content Knowledge Praxis by 8/31/22, will be allowed to use the passing score to meet licensure requirements until 8/31/25. Students still have the option to take the 304 National Evaluation Series (NES) test to meet licensure requirements.

The Integrated Early Childhood PreK-3 program only requires three (3) Praxis exams:

- Early Childhood (5025)
- Special Education: Preschool/Early Childhood (5691)
- Teaching Reading: Elementary (TRE, 5205)

IMPORTANT: Candidates beginning their clinical experience (Residency) during the Fall 2022 semester **will not** be required to take the Education of Young Children (5024) and SPED Core Knowledge (5354) for this new licensure endorsement. If you have registered for one or both exams (5024, 5354), please cancel through ETS as soon as possible (<https://www.ets.org/praxis/register/changes>).

>>>UPCOMING FIRST AID/CPR/AED CLASSES>>>

Submitted By: Office of Teacher Education

Candidates entering Residency I and Student Teaching are required to show proof of valid First Aid/CPR/AED certification before entering their clinical placement.
