World Autism Awareness Day is an internationally recognized day on April 2 every year, encouraging Member States of the United Nations to take measures to raise awareness about people with Autism Spectrum Disorder throughout the world. It was designated by the United Nations General Assembly resolution. World Autism Awareness Day", passed in council on November 1, 2007, and adopted on December 18, 2007.

World Autism Day is one of only seven official health-specific UN Days. The day itself brings individual autism organizations together all around the world to aid in things like research, diagnoses, treatment, and acceptance for those with a developmental path affected by autism.

Summer Job Opportunities

Camp Discovery

931-310-1319 (Merisa Judkins) gainesboro tn
Counselors are expected to give care and assistance to 2-4 campers each week! Camper's individual abilities vary; meaning counselors are expected to help with dressing, feeding, toileting, and showering needs if needed! In classes counselors will need to participate with their campers and have enthusiasm and excitement to help make the activities successful! Males & Females 18+

<https://campdiscoverytn.org/work-at-camp/>

Flip Fest is a gymnastics and ninja camp that runs for 10 weeks beginning June 5 and running until August 12. Each week up to 250 campers ages 7-17 attend to learn gymnastics and ninja skills while making memories and having the best week possible!

Job Opportunities

Dining Hall

-Dining Hall staff help prep, cook and serve 3 meals a day to all campers. This position you have the opportunity to work up to 40 hours a week or as part time 20 hours a week. You do not have to have any experience working as a chef or server.

Lifeguard:

-Supervising a sectioned off swimming area and a blob launch area with paddle board float. Needs to be Lifeguard certified and hours are approximately 5 hours a day.

Ropes Course:

-Taking campers through a high ropes course 35 feet in the air. You do not have to be certified, but our staff will train you on high ropes and belaying. Hours are approximately 6-7 hours a day.

Counselor:

-Camp Counselor positions are for adults 18 years and older who love to work with children. We look for counselors with high energy, enthusiasm and a desire to make camp an unforgettable experience while ensuring camper safety. A hard-working demeanor and willing attitude to jump into any camp activity are a must. Counselors get to enjoy staying in a cabin with 16-18 campers throughout the week with the benefit of room and board provided by Flip Fest. Counselors will have a short meeting in the morning and at least one break (2-3 hours long) during the day. Camp is in session from 12pm on Sundays through 1pm on Fridays. Although this is a gymnastics and Ninja camp, counselor positions require no previous gymnastics or Ninja experience or knowledge!

OTE TEST PREP

OTE coordinates the “OTE Test Prep” course available via iLearn. This course provides a variety of resources and study materials for those preparing to take the ACT, Praxis CORE, Praxis II, NES, GRE, and MAT tests. You may access this course via your student iLearn homepage. If you have any questions or are unable to view the course, please contact Elora Davis at:

eldavis@tntech.edu or (931) 372-3860

INTERACTIVE PRACTICE TESTS

The Praxis[®] Interactive Practice Tests (IPTs) are full-length practice tests that allow you to answer one set of test questions to simulate what you will experience on the actual day of the test. You can practice using authentic test questions and, after completing the practice test, view your results by content category along with the correct answers and explanations for each correct answer.

Interactive practice tests are **free!** We can accommodate individuals and groups! Interactive practice tests are completed virtually and take anywhere from 2 hours to 3.5 hours. Please email Elora Davis at eldavis@tntech.edu to inquire about IPTs available, schedule an IPT, or with any questions.

ETS PRAXIS UPDATES

The *Praxis[®] Learning Paths[™]* program is a new way to equip prospective teachers with the content knowledge and skills they need to succeed in their teaching practice. Whether used to enhance course curriculum or as test preparation or professional learning, this personalized and adaptive program meets candidates where they are on their learning journey and builds on their foundational skills and confidence.

The first offering, the Elementary Mathematics Course, helps candidates prepare for the *Praxis* Elementary Education: Multiple Subjects: Mathematics subtest (5003), the Elementary Education: Three Subject Bundle — Mathematics test (5903), and the math section of the Content Knowledge test (5018). Additional courses for Elementary Education subjects will be available in late 2022.
