By 2025 we will face a shortage of over 200,000 teachers across the nation.

Tennessee Tech's College of Education is rolling out a strategic recruitment and expedited pathways initiative to increase the number of people pursuing teaching as a profession to better address district needs especially in high demand areas.

School districts are the largest employers in most communities, and leveraging these strong, existing assets will help to make the initiative successful.

IMPORTANT! The Office of Teacher Education (OTE) completely understands the concern regarding COVID-19! Our office does not work for Ms. Amy Mahan, we are simply sharing information.

OTE does not want or expect candidates to risk their health in order to meet the CPR/AED/First Aid benchmark. Our office will work with you on deadlines for benchmark requirements.

*****CERTIFICATION VALID FOR TWO YEARS.*****

Praxis

Interactive practice tests will be available during the month of July for Praxis tests 5095 (Physical Education: Content & Design) and 5114 (Music: Content & Instruction). There are limited quantities available. Please contact Elora Davis (eldavis@tntech.edu) for more information if you are interested or have any questions regarding Praxis tests or study materials.

Praxis Exam(s) Scheduling - Rescheduling Information:

The College of Education Testing Center is now open and operating a full capacity. Please contact Ms. Yother (ayother@tntech.edu) with all questions or concerns you have regarding Praxis exam scheduling/rescheduling.

IMPORTANT: Praxis Tip

When registering for a Praxis exam, your ETS account shows that entering your social security number is “optional”. However, the Tennessee Department of Education will not enter your Praxis score(s) into the state licensure system if your social security number is not on the ETS/Praxis score report. This means, if you fail to enter your entire, correct social security number in your ETS account, you will have to contact ETS, have your social security number added, and pay an additional fee to have scores resent before the Department of Education will issue your teaching license. You can save yourself anxiety and money by entering your entire, correct social security number each time you register for a Praxis exam.

IMPORTANT: Prospective Teacher Candidates

The codes for Praxis CORE exams are changing to the following: CORE math (5733), CORE reading (5713), and CORE writing (5723). Passing scores will be accepted for both current and new exams through August 31, 2020: CORE math (5732 and 5733), CORE reading (5712 and 5713), and CORE writing (5722 and 5723). Passing scores for these exams **will not change**.
