

# COLLEGE OF ENGINEERING OUTSTANDING STAFF AWARD

## **Criteria**

Nominations will be evaluated on:

1. Outstanding Job Performance
2. Outstanding Attitude
3. Commitment
4. Professional Development – Certifications, seminars, conferences, additional training, course work and education
5. Program introductions – suggestions made by nominee for improvements which result in cost savings, increased efficiency, improved service, or better time management

## **Award**

The recipient will receive a \$1000 award and a commemorative plaque.

## **Eligibility**

A nominee must be a permanent, non-faculty staff employed with the College of Engineering for at least three years by the nomination deadline, March 15th. Nominations of employees in all non-faculty classifications are encouraged: i.e., professional or administrative staff and clerical support. If you have questions about eligibility, please contact Donna Walls.

## **Selection**

The COE nominating committee will review applicants and select recipient.

## **Nomination Deadline and Submission**

Nominations for this award may be made by any member of the College of Engineering (staff, faculty, or student) and friends of the college. All nominations must be submitted on the official COE nomination form by March 15th each year.

**Nominations may be e-mailed to: [tnash@tntech.edu](mailto:tnash@tntech.edu)**
