Yes ____ No ____

List any current and pending support for your education.

On separate pages, please submit the following as part of your application packet:

1. Letter of Intent*
2. CV/Resume
3. Statement of Research Interests*
4. Program Eligibility*
5. Collaborative Learning Philosophy*
6. 3 Letters of Recommendation

**Requirements for the Letter of Intent, Statement of Research Interests, Program Eligibility, and the Collaborative Learning Philosophy can be found in the Application Process and Eligibility Requirements document of the NRT program webpage at <https://www.tntech.edu/graduatestudies/students/nrt-nsffellowship.php>.*

If you are selected as a finalist, you may be contacted for an interview.

- *If chosen to participate in the program, you will need to complete the required NRT elements including but not limited to 1) a thesis/dissertation, 2) specific NRT courses, 3) workshops, 4) projects, and 5) other training activities.*
- *If awarded an NRT fellowship, you will need to meet certain commitments required by the NSF NRT guidelines, including having the following items approved and signed by your advisor: 1) letter of intent, 2) statement of your research interests, and 3) an adjusted program of study incorporating the FEW courses. Items 1, 2, and 3 must be signed by your advisor by the end of the second semester of full-time enrollment.*
- *Please note the specific requirements from the National Science Foundation NRT program for fellowship recipients: (<https://www.nsf.gov/pubs/2021/nsf21536/nsf21536.htm#:~:text=NRT%20trainees%20must%20be%20master's,requires%20a%20thesis%20or%20dissertation>)*
 - **NRT trainees must be master's and/or doctoral STEM students in a research-based degree program that requires a thesis or dissertation.**
 - **NRT stipends and support for customary costs of education (tuition and required fees) are limited to U.S. citizens, nationals and permanent residents. However, international students can participate as non-stipend-supported NRT trainees or as non-trainees.**
