

## Institutional Effectiveness Report 2018-2019

**Program:** Special Education

**College and Department:** College of Education, Curriculum & Instruction

**Contact:** Jeremy Wendt, Chairperson

**Mission:** The mission of the Department of Curriculum & Instruction is to enhance education and policy for the well-being of society through the creation, communication and application of new knowledge; preparation of scholars, researchers, educators and other professionals to meet the needs of our increasingly diverse, global, technological society; and outreach initiatives engaged with matters related to the local community, state, nation, and world.

*Mission Brief:* Learn from the past. Impact the present. Focus on the future.

*Vision:* Evidence-based, student-focused, future-oriented education for life-long learners.

### **Program Goals**

PG 1: This program will prepare effective teacher candidates to apply their content and pedagogical knowledge and skills to contribute to the academic and developmental growth of diverse P-12 students.

### **Student Learning Outcomes**

SLO 1: Program candidates will demonstrate content and pedagogical knowledge and skills by meeting or exceeding passing scores on the respective state licensure exam as set by the State Board of Education.

SLO 2: Program candidates will demonstrate content and pedagogical knowledge and skills by meeting or exceeding a passing score on the respective performance-based subject-specific assessment as set by the State Board of Education.

SLO 3: Program candidates will demonstrate content and pedagogical knowledge and skills in their clinical practice by scoring at or above expectations on the TEAM rubric.

A departmentally developed curriculum map can be found in Appendix 1 that shows the connections between courses and student learning outcomes.

### **Assessment Methods**

*SLO 1: Program candidates will demonstrate content and pedagogical knowledge and skills by meeting or exceeding passing scores on the respective state licensure exam as set by the State Board of Education.*

- State licensure exams. Candidates take between one and six licensure exams in order to be recommended for licensure. The Praxis subject assessments measure candidates' content knowledge of the subjects they teach. The subject assessments measure subject-specific

teaching skills and content knowledge. Validity for the assessments is evidenced through multiple means, including job analysis; item writing and reviewing; standard-setting studies; test reviews; and ongoing reviews. Reliability is addressed via the standard error of measurement, reliability of classification, and reliability of scoring. Praxis is a proprietary assessment developed, regulated, and scored by ETS, and the Tennessee State Board of Education sets candidate cut scores.

*SLO 2: Program candidates will demonstrate content and pedagogical knowledge and skills by meeting or exceeding a passing score on the respective performance-based subject-specific assessment as set by the State Board of Education.*

- Performance-based subject-specific assessment. The edTPA is a performance-based assessment that assesses teaching behaviors that focus on student learning. edTPA is a proprietary, nation-wide assessment, developed by SCALE/Stanford and administered by Pearson. It is available in 27 individual content areas as a multiple-measures system that includes two primary components: 1) teaching-related performance tasks embedded in clinical practice that focus on planning, instruction, assessment, academic language, and analysis of teaching; 2) a three to five day documented learning segment. edTPA was nationally validated in 2013 to establish validity and reliability. The edTPA is professionally scored by Pearson, and the Tennessee State Board of Education sets candidate cut scores.

*SLO 3: Program candidates will demonstrate content and pedagogical knowledge and skills in their clinical practice by scoring at or above expectations on the TEAM rubric.*

- Tennessee Educator Acceleration Model (TEAM). In 2011 the State Department of Education implemented the Tennessee Educator Acceleration Model (TEAM) evaluation rubric—a comprehensive student outcomes-based statewide educator evaluation system. The majority of Tennessee educators across all content areas are observed multiple times throughout the year using this observation instrument developed by the State. This program uses the TEAM rubric as the primary assessment tool for evaluating teacher candidate performance and application of content knowledge and pedagogical skills during clinical practice. The TEAM rubric evaluates educators across three primary domains: instruction, planning, environment. Educators are rated across all domains on a scale of 1 (significantly below expectations) to 5 (significantly above expectations). The program chose to use TEAM to evaluate its teacher candidates in an effort to familiarize them with and best prepare them for this rigorous evaluation of teachers across Tennessee.

## **Results**

*Student Learning Outcome 1: Program candidates will demonstrate content and pedagogical knowledge and skills by meeting or exceeding passing scores on the respective state licensure exam as set by the State Board of Education.* PRAXIS content exams: All candidates must pass their respective Praxis content exam prior to entering residency I/student teaching. Praxis summary reports show EPP scores compared to State and National averages, as well as a breakdown of our candidates in each quartile. All summary reports are posted on the EPP's website. See Table 1, Table 2, Table 3, and Table 4 below for Special Education PRAXIS data.

Table 1. SPED Core Knowledge Mild/Moderate PRAXIS

Year	TTU			State		
	N	Pass Rate	Mean	N	Pass Rate	Mean
2017-2018	13	100	173.69	393	85.75	169.44

Table 2. SPED Core Knowledge Severe/Prof PRAXIS

Year	TTU			State		
	N	Pass Rate	Mean	N	Pass Rate	Mean
2017-2018	13	100	173.08	130	96.92	177.41

Table 3. SPED Core Knowledge & Application PRAXIS

Year	TTU			State		
	N	Pass Rate	Mean	N	Pass Rate	Mean
2017-2018	8	100	173.88	123	97.56	176.26

Table 4. Preschool ECE PreK-3 PRAXIS

Year	TTU			State		
	N	Pass Rate	Mean	N	Pass Rate	Mean
2017-2018	7	100	170.57	86	100	173.02

For the 2017-2018 academic year, a total of 13 TTU candidates completed PRAXIS for SPED Core Knowledge Mild/Moderate. The total mean score was 173.69, with a pass rate of 100 percent. At the State level, a total of 393 candidates completed PRAXIS for the same content area. The total mean score was 169.44, comparatively lower than TTU's mean score, with a pass rate of 85.75 percent. A total of 13 TTU candidates completed PRAXIS for SPED Core Knowledge Severe/Prof. The total mean score was 173.08, with a pass rate of 100 percent. At the State level, a total of 130 candidates completed PRAXIS for the same content area. The total mean score was 177.41, comparatively higher than TTU's mean score, with a pass rate of 96.92 percent. A total of 8 TTU candidates completed PRAXIS for SPED Core Knowledge & Application. The total mean score was 173.88, with a pass rate of 100 percent. At the State level, a total of 123 candidates completed PRAXIS for the same content area. The total mean score was 176.26, comparatively higher than TTU's mean score, with a pass rate of 97.56 percent. Lastly, a total of 7 TTU candidates completed PRAXIS for Preschool ECE PreK-3. The total mean score was 170.57, with a pass rate of 100 percent. At the State level, a total of 86 candidates completed PRAXIS for the same content area. The total mean score was 173.02, comparatively higher than TTU's mean score, with a pass rate of 100 percent.

*Student Learning Outcome 2: Program candidates will demonstrate content and pedagogical knowledge and skills by meeting or exceeding a passing score on the respective performance-based subject-specific assessment as set by the State Board of Education. edTPA: edTPA is a performance-based assessment*

used to measure pedagogical skills and pedagogical content knowledge. It shows what candidates can do, rather than what they plan to do. It is holistic and reflective as candidates integrate learning from across the curriculum and examine teaching practices. The portfolio includes 15 rubrics across 3 tasks (planning, instruction, and assessment) to demonstrate teacher effectiveness. In 2017, the Tennessee State Board of Education voted to require edTPA of all teacher candidates seeking licensure in the state. This requirement will go into effect January 1, 2019; however, Tennessee Tech progressively implemented edTPA in 2012 for all programs with strong support for both candidates and faculty. Currently, candidates complete the edTPA during the residency II/student teaching clinical experience; each rubric is scored on a 5-point scale. Over the past year (2017-2018), TTU has produced total mean scores higher than State and National levels. This was also observed in Special Education portfolios completed by our Special Education candidates. See Table 1 and Table 2 below for edTPA data.

Table 1. Total mean scores for TTU, State, and National levels

	TTU	State	National
2017-2018	47.9	46.3	44.1

Table 2. edTPA data for Special Education

TTU			State			National		
Year	N	Mean	Year	N	Mean	Year	N	Mean
2017-2018	11	46.4	2017-2018	176	46.3	2017-2018	6,175	43.1

For the 2017-2018 academic year, the total mean score for TTU (47.9) was higher than State (46.3) and National (44.1) total mean scores. TTU had 11 candidates scored in Special Education, whereas the State and National levels had 176 and 6,175 candidates scored, respectively. Regarding total mean scores for Special Education portfolios, TTU (46.4) was comparatively higher than both the State (46.3) and National (43.1) levels.

*Student Learning Outcome 3: Program candidates will demonstrate content and pedagogical knowledge and skills in their clinical practice by scoring at or above expectations on the TEAM rubric.* TEAM: In 2011, the State Department of Education implemented the Tennessee Educator Acceleration Model (TEAM) evaluation rubric – a comprehensive, student outcomes-based, statewide educator evaluation system. The majority of Tennessee educators across all content areas are observed multiple times throughout the year using this observation instrument developed by the State (TEAM Rubric). The EPP uses the TEAM rubric as the primary assessment tool for evaluating teacher candidate performance during clinical experiences. The TEAM rubric evaluates educators across 3 primary domains: instruction, planning, and environment. Educators are rated across all domains on a scale of 1 (significantly below expectations) to 5 (significantly above expectations). The TEAM rubric aligns with InTASC standards 1-8, demonstrating candidate mastery of Learner and Learning, Content, and Instructional Practice standards. First, the TEAM domain of Instruction (broken into 12 specific components) closely aligns to InTASC standards 1-5. Second, the TEAM domain of Planning (3 components) aligns to InTASC standards 6-8. Lastly, the TEAM domain of Environment (4 components) aligns to InTASC standards 2-3. TEAM

rubric scores at and above expectations demonstrate candidate mastery of InTASC standards 1-8. See Table 1 below for TEAM data.

Table 1. TEAM data

Year	N	TTU		
		Instruction	Planning	Environment
2017-2018	47	3.5	3.6	4.1

The EPP chose to use TEAM to evaluate its teacher candidates in an effort to familiarize them with and best prepare them for this rigorous evaluation of teachers across Tennessee. Residency candidates are formally evaluated 3 times by a university supervisor and 2 times by a mentor teacher using the TEAM rubric, for a total of 5 TEAM evaluations across the residency year. Candidates, when evaluated 3 times each by university supervisors, earned the following mean scores on the TEAM rubric: 2017-2018 (n = 47 evaluations) Instruction = 3.5, Planning = 3.6, Environment = 4.1. Similarly, student teachers are formally evaluated 2 times by the university supervisor and once by the mentor teacher, for a total of 3 formal TEAM evaluations across student teaching (due to the 1-semester time limit versus 1.5 semesters in residency). See TEAM Evaluation Data for aggregate and disaggregate TEAM data for both residency and student teaching.

### **Modifications for Improvement**

To better reflect current professional standards and present better career opportunities, the non-licensure concentration was changed to practitioner. Enrollment in the concentration will be evaluated for increased/decreased enrollment.
