Student Migration: Three Semesters Fall 2020 New First-Time Freshmen

The *Student Migration: Three Semesters* report tracks student's majors at Tennessee Tech University during their first three semesters. This comprehensive report includes:

- Three Semester Migration tables for each college; and
- Three Semester Migration tables for each program in the college.

The Table of Contents below includes links to the different sections and can be used to navigate within this report.

Key Highlights:

- Of the students that were retained from Fall 2020 to Spring 2021, there were a total of 209 students that changed their majors.
- Of the students that were retained from Spring 2021 to Fall 2021 or returned after not attending the Spring semester, there were a total of 243 major changes.
- Out of the 1720 students in the Fall 2020 cohort, there were 12 students that did not attend during the Spring semester, but returned during the next Fall semester, and of these 12, only 7 changed their majors. 5 students returned to their original program and college.

Data Notes:

1. All data conforms to TTU internal reporting standards and may differ slightly from official reports provided to external constituents such as the Tennessee Higher Education Commission (THEC). Differences in reporting date can also cause minor discrepancies.
2. Unless otherwise noted, all data represents 14th Day census counts for the specified time period.
3. Program names, department names, and department affiliations are as of the most recent Fall term. Programs that were different in previous years are mapped to the current definition.
4. This report is based off the initial cohort of New First-Time Freshmen in the Fall or the preceding Summer term. Both Full-Time and Part-Time students are included.
