Graduation Rates for First-Time Freshmen By Unit:

Initial Program Enrollment to Graduation from the University

This report contains current information about graduation rates for first-time freshmen at Tennessee Tech, by unit. Each freshman cohort consists of all first-time, full-time freshmen who entered the University in the Fall semester or the immediately preceding Summer.

Below is a summary of six-year graduation rates by unit. These six-year rates were calculated as weighted averages for the entering freshman classes of Fall 2007, Fall 2008, Fall 2009, Fall 2010, Fall 2011, and Fall 2012. In subsequent pages of this report, Table 1 provides detailed information for the overall university cohorts, and Tables 2 through 11 provide corresponding information for the units and for those students classified in General Curriculum and General Health Studies. Tables 2 through 11 are mutually exclusive, and students are grouped according to their **college and major in their first Fall term**. Graduation information is about **graduation at the University** and not necessarily graduation within the original unit. Some freshmen migrate from the original unit (e.g., Engineering) to another unit (e.g., Arts and Sciences).

Six-Year Graduation Rate for First-Time Freshmen

What percentage of first-time freshmen graduate from Tennessee Tech within six years?*

University	51.5%
Agriculture and Human Ecology	53.6%
Arts and Sciences	53.6%
Business	54.3%
Education	55.2%
Engineering	57.4%
Fine Arts	49.4%
Independent Programs	
General Curriculum (GECU)	41.2%
General Health Studies (GHS)	31.4%
Interdisciplinary Studies	-- **
Nursing	55.4%

* Weighted average percentages presented in this summary table and in Tables 1 through 11 are for the six most recent cohorts for which academic unit data were available: Fall semesters of 2007, 2008, 2009, 2010, 2011, and 2012.

** Before Fall 2012, first-time freshmen typically did not enroll in programs in the College of Interdisciplinary Studies.

1. Throughout this report, including all tables and the appendix, the references to any Spring Term ***include the graduates of the immediately following Summer graduation term***, as well.
2. Information about graduation ***by department*** for the cohorts of Fall 2007 through Fall 2015 is included in the appendix.
3. In this report, “Independent Programs” is not included as a single unit. Instead, freshmen classified with a major of “General Curriculum (GECU)” or “General Health Studies (GHS)” are included, but “Pre-Law” freshmen are excluded. However, “Pre-Law (GPL)” is available in the appendix.
4. In Table 8, there were no first-time, full-time freshmen in Interdisciplinary Studies in the Fall semesters of 2007, 2009, 2010, and 2011.
5. In accordance with conventional practice for retention and graduation rate calculations, a student who becomes deceased before receiving a degree is removed from the cohort. Consequently, the class size and retention percentages in this report can change in subsequent iterations of this report.
6. The Computer Science Department became part of the College of Engineering in Fall 2010. In this report, all first-time, full-time freshman Computer Science students from earlier cohorts (of Fall 2006, Fall 2007, Fall 2008, and Fall 2009) have been moved from the College of Arts and Sciences to the College of Engineering.
7. The Psychology (BS) program became part of the College of Education in Fall 2017. In this report, all first-time, full-time freshman Psychology students from all cohorts (of Fall 2006 through Fall 2016) have been moved from the College of Arts and Sciences to the College of Education.
8. The College of Fine Arts was founded in August 2017. In this report, all first-time, full-time freshmen in programs in fine arts and music, for all cohorts, have been moved from the College of Education to the College of Fine Arts.
