

Water Treatment Supplies and Services

Q & A

Q. Will testing for legionella be required?

A. No

Q. Is salt to be included in this bid/contract?

A. No.

Q. Does Tennessee Tech own the equipment?

A. Yes, the chemical equipment and repairs are owned by Tennessee Tech. However, per spec 13.1.5 the winning company will be required to train Tennessee Tech personnel in proper testing procedures and proper treatment equipment maintenance at no additional expense.
