INSTRUCTIONS

Students must fill out the Audit Permit form completely and obtain approval of their advisor and instructor. Once completed, return the form to the Registration Center, Jere Whitson 221 with other registration materials for review and final approval.

The Audit Permit form will not be accepted later than the last day to add courses at the beginning of each semester as stated in the University Catalog.

Students who audit are expected to attend class but are not required to hand in assignments or take examinations. Audit students are enrolled in classes on a non-credit basis but must be admitted to the University as regular or special students.

Fees for audit courses are the same as those for credit course.

Auditors are listed on grade rosters, but no grade is given.
