

Tennessee Tech University Internal Cost Share Documentation

Project Title: \_\_\_\_\_

Project PI: \_\_\_\_\_

Please complete the table below detailing the source and amount of all required cost share for the project referenced above. Do not include indirect costs in this table. Only list costs which will be funded by the index number provided. Indirect costs are University costs. The authorized representative from each unit providing cost share must be listed at the bottom and must sign this document.

| College/Department/<br>Other Unit<br>Committing Cost<br>Share | Item Description       | Index No.<br>Committing<br>Cost Share | Year 1   | Year 2   | Year 3   | Year 4   | Year 5   | Total Direct Cost<br>Commitment |
|---|------------------------|---------------------------------------|----------|----------|----------|----------|----------|---------------------------------|
| Ex. Chemistry   | Dr. Research's release | 2-22222                               | \$ 1,000 | \$ 1,030 | \$ 1,061 | \$ 1,093 | \$ 1,126 | \$ 5,309                        |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |
|   |                        |                                       |          |          |          |          |          |                                 |

By signing below, you certify that your index will provide the cost share detailed above or that an alternative index number will be provided on the Award Activation Form.
