16th Annual Research & Creative Inquiry Day Registration & Abstract Submission

IMPORTANT:

Prior to completing this form, please obtain your advisor's approval of

1) Your abstract

2) The abstract's publication in the online journal Proceedings of Student Research and Creative Inquiry Day

3) Inclusion of your poster in the Tennessee Tech Research and Creative Inquiry SharePoint site to be available for viewing by the campus community through the end of the Spring 2021 semester.

Upon submission of this abstract, a confirmation email will be sent to the primary author. If this confirmation email is not received, the abstract has not been successfully submitted. Please resubmit or contact the Office of Research (research@tntech.edu) **prior to the abstract submission deadline of March 10.**
