An Act to Merge the SGA Constitution and By-Laws

- Whereas,** the governing documents of SGA have missing content from each other, and,
- Whereas,** to simplify for both representatives and students on campus we should merge both documents while keeping all content of substance that informs us on the SGA's operation, and,
- Whereas,** this has been done by taking any content or statements of guidance from the By-Laws and inserting them in a logical way into the Constitution, and,
- Whereas,** the Draft of this new Constitution is provided alongside this document for your evaluation and include highlights of all changes with comments on why or where in the By-Laws the content originated from, and,
- Whereas,** there is no significant difference between the amending procedures outlined in the Constitution verse those outlined in the By-Laws.

NOW THEREFORE,

BE IT ENACTED BY THE STUDENT GOVERNMENT ASSOCIATION OF TENNESSEE TECHNOLOGICAL UNIVERSITY THAT

- Section 1:** This bill shall be known as the "SGA Governing Documents Merge Act of 2022".
- Section 2:** All changes and inserts of content from the By-Laws will be adopted into the Constitution.
- Section 3:** This bill shall take effect the following semester upon passage by the Student Government Association, the welfare of the students requiring it.
