

Tennessee Tech and our many community partners welcome you to **College Town Kickoff**. We hope that you will explore the downtown Cookeville area and engage with the local businesses that serve Tech students. Discover your new favorite restaurant, scope out spaces to grab a coffee and study, and pick up some unique items at a wide range of shops.

You can also learn about other business community partners not located in the downtown areas by engaging with the booths on **Broad St. and Cedar Ave.**

We would like to extend a special Thank You to the Broad St. and Cedar Ave. businesses who have been so supportive of College Town Kickoff, and to the area businesses offering extended hours and specials during today's event. **Wings up!**
